## Terms & Conditions of our Email List

By subscribing to the email list you will be joining the reAct! community and helping to play a part in countering factually inaccurate and grossly misleading news coverage of the Romanian community in the UK.

As a reAct! member you will periodically receive pro-forma emails prepared by the reAct! organisers in response to inaccurate articles published about Romanians in the UK. We ask that you send this email on to a journalist who wrote the story and to the editor of their publication. We will provide the necessary contact details.

Further occasional emails will update you on progress in our campaigns, we may also ask you to support a complaint to the relevant media regulator, for example the Press Complaints Commission.

After you subscribe, a confirmation email will be sent to you. You must respond to this to complete the registration process.

Joining the reAct! list and participating in campaigns is free.

We will not disclose your contact details to anyone, and you can unsubscribe from this list at any point.
